“Behold, I will send for many
fishers,” says יהוה, “and they
shall fish them; and after will I
send for many hunters, and they
shall hunt them from every
mountain, and from every hill,
and out of the holes of the rocks.”

Jeremiah 16:16

*I am not sent
but unto the
LOST SHEEP
*of the house
of Israel.**

Matthew 15:24

a **Jeremiah 16:16** production

You are a **TRUE Israelite**, **YAHUAH's original chosen people**, but don't take my word for it (Romans 3:4). Let's see what the Scriptures say.

YAHUSHA's hair is **"white like wool"** and His feet are described as **"fine brass . . . burned in a furnace"** (Revelation 1:14-15). Please google images of "burned brass".

Essau is described as "red" and "hairy" (Genesis 25:25). Flushing, or blushing, is a caucasian trait and black people have significantly lower hair density than caucasians.

And Solomon, in Song of Solomon 1:5, declares, **"I am BLACK . . .!"**

There's **one group of people** who have experienced the curse YAHUAH promised to His people for disobedience, as described in **Deuteronomy 28:68**:

"And YAHUAH shall bring you into Egypt (aka slavery) again with ships, by the way whereof I spoke unto you, you shall see it no more again: and there ye shall be sold unto your enemies for bondmen and bondwomen, and no man shall buy you."

This verse speaks directly to the experience of your people.

And when we consider the broader context of your history, it becomes clear that the **prophecies in Genesis 15:13-14 have yet to be fulfilled**.

In Genesis 15:13, we're told that His people would be **"stranger[s] in a land that is not theirs" and that they would be afflicted for 400 years**. Many have been taught that this prophecy was fulfilled during the time His people were enslaved in Egypt.

But here's where it gets interesting—the math just doesn't add up, and we know that YAHUAH doesn't make mistakes.

The Scriptures tell us that the **total time in Egypt was 430 years** (Exodus 12:40), yet the time of affliction was less than 400 years (Genesis 47:27-28, Exodus 1:6-11, Exodus 12:40, and Jasher 81:3).

Seventy (70) Israelites entered Egypt (Exodus 1:5), and we're asked to believe that in just 30 years—actually 13, since Jacob lived in Egypt for 17 years without affliction (Genesis 47:28)—these 70 people multiplied so greatly that they became a threat to Pharaoh (Exodus 1:7-9).

Interestingly, the book of Jasher, which is referenced by the Holy Spirit in Joshua 10:13 and 2 Samuel 1:18, puts **the years of slavery in Egypt at 210 years**. It's intriguing, isn't it, that such an important book is missing from the canon, much like the book of Enoch, which is quoted verbatim in Jude 1:14-15?

So if Genesis 15:13 wasn't talking about the slavery in Egypt, is it talking about your people's **captivity here in America that was prophesied in Deuteronomy 28:49,50 & 68?**

Whether that date is 1619, 1620 or 1624, what matters is that the 400 years of captivity has come to or is coming to an end. I believe 1624 is the correct year.

Genesis 15:14 tells us that after these 400 years, the nation that took His people into captivity will be judged. The world teaches that this judgment was the ten plagues on Egypt before the Exodus.

But could it be that this judgment is not about Egypt?

Could it be here, in America—the second beast of Revelation 13:11, which is described as "another beast" with "two horns like a lamb, and he spoke as a dragon"? Consider Revelation 13:9-10 in light of what I've shared.

From the moment this country was founded by Freemasons (satanists), it spoke like a dragon (satan), **claiming that YAHUAH's chosen people are worth only 3/5ths of other people**.

"Come out of her, My people!" – Rev 18:4

I sincerely pray that you will take time to ponder these things in your heart.

And please, take a look at Jeremiah 16:14-16 as well. Bless you!

But Jeremiah said, "They shall not deliver you. **Obey**, I beseech you, **the voice of YAHUAH**, which I speak to you: so it shall be well with you, **and your life shall be spared**." - Jeremiah 38:20
